It's free to attend but availability is limited

There's an incredible range of topics covered in both classroom and field based workshops with interactive sessions and Q&As throughout. With expert speakers from AHDB, independent consultants and leading industry partners, it's not one to miss.

Workshops and seminars include:

Beef profitability drivers

Benefits of benchmarking
Characteristics of
top performing farms

Grassland and soils

How to set up a
grassland rotation
Reseeding

Beef health

Vaccination protocols
for beef systems
Controlling parasites

Nutrition

Weaning nutrition
Dry cow nutrition to
improve colostrum quality

Plus, take a look round the Technology Village
